2022 Achieve Atlanta Scholars, Families, and Supporters,

Congratulations on the great accomplishment of getting through high school!

The transition from high school to any postsecondary educational experience is a time of tremendous change for all involved. To help you to continue to be successful, we have created this Scholar Night event to celebrate what already has been done, and College Nights to prepare you for your successful transition to college. These two events have been designed to support you, answer any questions, and provide information that will help you comfortably and confidently navigate the uncertainty ahead.

Thank you for participating in both Scholar Night and College Nights! We hope that this Scholar Induction Resource Guide will be helpful as you prepare for your college journey.

Sincerely,

Tina Fernandez
Executive Director, Achieve Atlanta

Achieve Atlanta Resources

Believe. Expect. Achieve.

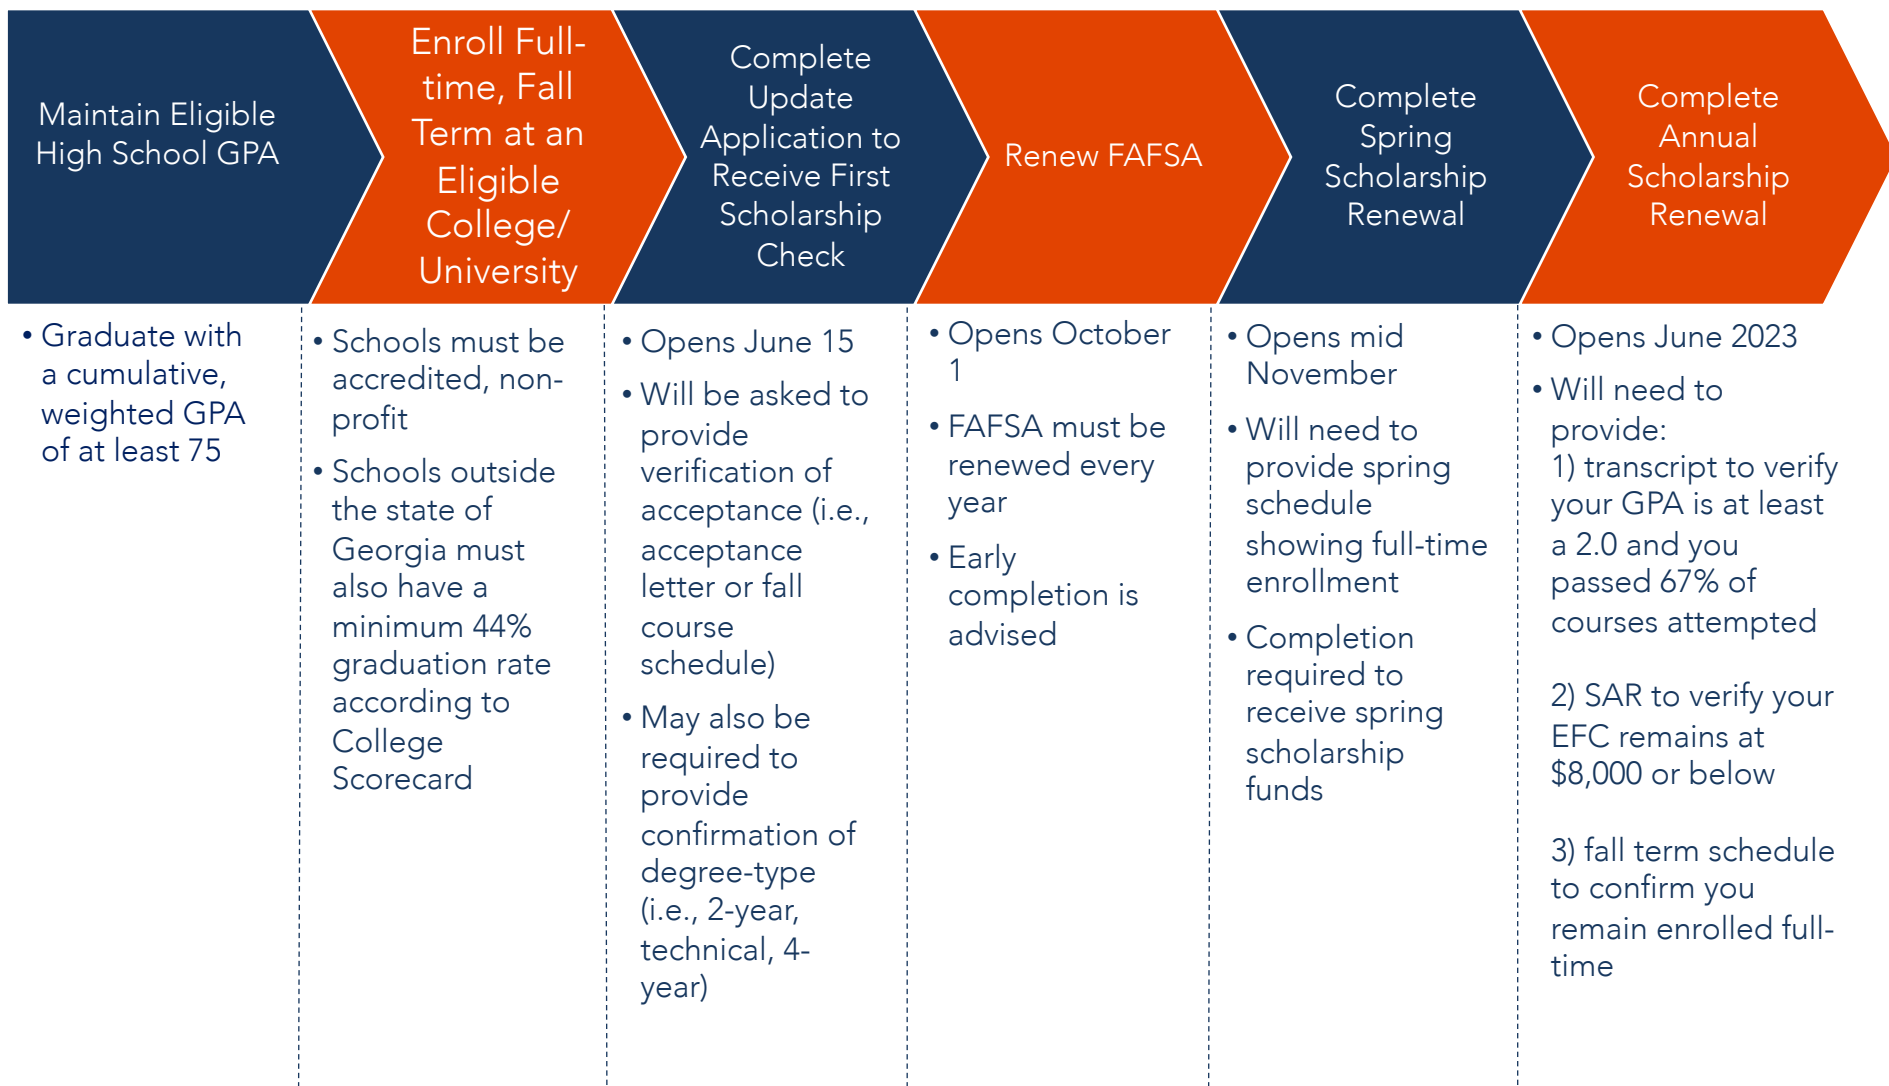

Postsecondary Enrollment Checklist & Resources

Below are important tasks you need to complete for a smooth transition to college and to avoid delays to enrollment. We encourage you to use your resources and ask questions when needed.

	Task	Tips <i>Stay on top of email, mail, and student portals for deadlines and additional information schools may request</i>	Resources <i>Achieve Atlanta, CAC advisers, high school counselors available to help</i>
<input type="checkbox"/>	Complete Requirements To Receive Financial Aid Awards 	<ul style="list-style-type: none"> Once admitted to a school, a financial aid award package will be generated and sent to you Some students are asked to go through a verification process where income is verified through additional documents; complete this process promptly If your or your family's financial situation has changed from 2019 (e.g. loss of job), ask your financial aid office about a special circumstances appeal 	<ul style="list-style-type: none"> Financial aid offices; especially if your financial aid award package is delayed or your family's financial situation has changed studentaid.gov/apply-for-aid/fafsa/review-and-correct#after-the-fafsa%C2%AE-what-happens-next-video
<input type="checkbox"/>	Choose Your College 	<ul style="list-style-type: none"> Know decision deadlines for each school you are considering Evaluate the financial aid packages offered and fully understand out-of-pocket costs Ask questions about academic offerings, location, transportation options, campus culture, and other factors 	<ul style="list-style-type: none"> Financial aid offices Specific people may know about your college (e.g. current students at college, admissions counselor) bigfuture.collegeboard.org/for-parents/webinar-comparing-financial-aid-awards
<input type="checkbox"/>	Accept Your Financial Aid 	<ul style="list-style-type: none"> Once you make a school choice, decide which financial aid options offered you will accept Grants, scholarships and loans may all be part of aid offered Grants and scholarships should be accepted; these do not require repayment If considering loans, understand loan terms and repayment plans In most cases, federal student loans have more favorable loan terms than private loans 	<ul style="list-style-type: none"> Financial aid offices finaid.org bigfuture.collegeboard.org/pay-for-college/scholarships-grants-loans/loans consumerfinance.gov/paying-for-college
<input type="checkbox"/>	Select Your Housing 	<ul style="list-style-type: none"> Put down deposits early if staying on-campus Know your monthly housing budget if staying off-campus Budget for deposits and other moving-in expenses needed to secure housing 	<ul style="list-style-type: none"> Housing services on-campus
<input type="checkbox"/>	Complete All Enrollment Requests Made By Your College 	<ul style="list-style-type: none"> Closely review all required steps to enroll for fall term Final high school transcripts may need to be sent to the college you choose; follow your high school's protocol for these requests Most schools require registration to an orientation; register for early sessions to get your questions answered early and sometimes get the benefit of registering earlier for courses 	<ul style="list-style-type: none"> College student portal HS counseling office College admissions office

Achieve Atlanta Scholarship Steps

High School Through First Year of College

Financial Planning Worksheet

You can use this worksheet as a tool to help you understand your estimated college costs.

Step 1: Retrieve the financial aid award package received from your college. If your award package does not include costs, you can find most of the costs from your school's website or ask the financial aid office. You can also find the costs for each college at <https://nces.ed.gov/globallocator/>. If annual amounts are given, divide by two to get the amount for fall and spring.

Step 2: Calculate Estimated Cost of Attendance (COA)

Line	Type of Expense	Tips	Fall Amount	Spring Amount
A	Tuition and fees	This includes classes as well as any fees (lab fees, student activity fees, etc.).	\$	\$
B	Room and board	If you're living on campus, this includes the cost for your dorm and meal plan. If you're living off-campus, estimate your cost for rent, food, and utilities for 5 months per semester.	\$	\$
C	Transportation	Car maintenance and gas or public transportation.	\$	\$
D	Books/Supplies	This includes textbooks and school supplies. Consider renting your textbooks online as it may be cheaper than buying them.	\$	\$
E	Personal Expenses	Miscellaneous expenses including laundry, cell phone, or any other typical expenses.	\$	\$
F	Total Charges	Add rows A through E	\$	\$

Step 3: Calculate Estimated Financial Aid (refer to your Award Letter or School's Portal)

Line	Type of Aid		Fall Amount	Spring Amount
G	Hope/Zell Miller	You do not need to pay back grants or scholarships. Achieve Atlanta and other private scholarships may not be listed on your award letter but should be included on this worksheet.	\$	\$
H	Pell Grant		\$	\$
I	Achieve Atlanta		\$	\$
J	Other Scholarships/Grants		\$	\$
K	Direct Subsidized Loan	You must pay back any type of loan you take out.	\$	\$
L	Direct Unsubsidized Loan		\$	\$
M	Federal Work Study	If awarded, it is a part time job to earn money for education expenses.	\$	\$
N	Total Financial Aid	Add rows G through M	\$	\$

Step 4: Calculate Out-of-Pocket Costs

Line	Subtotal	Fall Amount	Spring Amount
O	Total Charges (Line F)	\$	\$
P	Total Financial Aid (Grants, scholarships, and loans) (Line N)	\$	\$
Q	Difference after all aid applied (Line O minus P)	\$	\$

Review line Q and use this worksheet to help determine your estimated school costs.

If line Q is positive, you should have enough financial aid to cover all your estimated school expenses and you may receive a refund of any surplus after your tuition and dorm bills have been paid. Budget any surplus to cover expenses throughout the entire semester, as this money may be needed to cover indirect expenses such as off-campus room and board, transportation, books, and personal expenses.

If line Q is negative, you will need a plan to cover some of the expenses listed above. Some resources available might be getting a part-time job, receiving family contributions, reducing your expenses, applying to additional scholarships, and/or finding additional sources of money.

Mental Health Services

Achieve Atlanta has partnered with McLaughlin Young Group to provide a valuable benefit to all Scholars and their immediate family members known as the Student Assistance Program (SAP). The SAP has a network of conveniently located counselors who offer help for personal, school-related and/or professional concerns by providing free, confidential, short-term counseling and personal consultation.

Some examples of concerns that the SAP addresses include:

- Family conflict
- Relationship issues
- Grief and loss
- Stress
- Depression and anxiety
- Communication breakdowns
- Alcohol or drug use
- School-related issues

To seek assistance through the SAP, simply call:

704-529-1428 or 800-633-3353
