

The Achieve Atlanta Scholar Commitment

BELIEVE

I believe in my ability to write my own story, and will take on life after high school with confidence, focus, and persistence.

EXPECT

I expect excellence - from myself and those around me.

ACHIEVE

I know that achievement starts with advocating for myself and never being afraid to ask for help when I need it. It means I will fully embrace the path ahead and respond to challenges with energy and resilience.

Once I receive and have accepted the Achieve Atlanta Scholarship, I will commit to the following:

- I will** maintain full-time enrollment at an eligible Achieve Atlanta post-secondary institution;
- I will** complete all Achieve Atlanta Scholarship update and renewal applications including submitting required documents;
- I will** meet the Satisfactory Academic Progress (SAP) requirement at my institution;
- I will** complete the FAFSA every year;
- I will** meet regularly with my designated college advisors which includes those assigned by my college and/or Achieve Atlanta;
- I will** update student contact information with Achieve Atlanta as necessary and/or requested;
- I will** meet any additional requirements established by my post-secondary institution; and
- I will** complete a post-secondary degree or credential.
